Subject: question on U&O FIP?

Hi Monica -

I came across a summary of a soon-to-be proposed FIP for the Uinta and Ouray Reservation on OMB's website and I wanted to see if I could get more background info. on what this means and what timeline EPA might be looking at. Here's the entry on OMB's site,

<http://www.reginfo.gov/public/do/eAgendaViewRule?pubId=201604&RIN=2008-AA02>

Also, is it expected that this FIP will dovetail into any likely nonattainment FIP that will have to be developed for the region? Thank you for any insight.

Jeremy
